## Additional Experience

- **Tour**
  - 1 year driving, assistant tour managing & merchandise for Grammy Award Winner Marc Cohn
  - Can drive a manual transmission
  - 5 years booking, promotion, driving, managing, merchandise, tour managing Wonky Tonk
- **Production**
  - Worked as a production and props assistant for MTV projects like music videos for Death Cab For a Cutie, Atmosphere & The Get Up Kids.
  - Practiced aesthetics and design on numerous Cincinnati Bell, Greater's, and P&G commercials working as a set designer, purchasing and propping the set.
  - Catering skills with craft service, mobile food on a budget with emphasis on variety and display;. Food keeps people happy and working.
  - Worked for Children's Hunger Alliance, teaching a nutrition/community garden after school program in low income neighborhoods
- **Music Marketing/Promotion**
  - Acted as the director of marketing, public relations, and web-development for The Whispering Beard Folk Festival.
  - Performed music locally, regionally, and internationally; booked and hosted many touring bands. In doing so I have come to understand that is imperative as a musician to understand and cater to your listeners to maintain success.

- **Computer**
  - Knowledge of Adobe products, I use Photoshop and Illustrator to design Music posters for local artists and all of web content for The Whispering Beard Folk Festival & Wonky Tonk.
  - Skilled in Final Cut Pro, Garageband, and a quick learner to any related video/audio programs.
- **Outdoor**
  - Four years of servant camp work in Indiana including:
    - working at various nursing homes: playing board games, serving food, reading books
    - installing windows, repairing roofs, redoing hardwood floors, clearing trails, planting gardens, prepared foundations, built small cabins and bunks
  - Two years clearing campgrounds, building stages and signs, and outdoor event organization for The Whispering Beard Folk Festival
- **Volunteer work**
  - Preparing and serving food to the homeless as places like the HOSEA House and Cincinnati Drop In Center.
  - Interned and then volunteered at NPR affiliate, WNKU, aiding in volunteer activities, remote broadcasts, recording and editing interviews
  - 12 months working with Americorps/Montana Conservation Corps
    - Building and maintaining trail in National Forests and Parks, weatherization, long term backcountry camping, packing in horses, sprayed noxious weeds
  - Worked for 6 months through AmeriCorps for Children's Hunger Alliance, providing health and phys ed classes to schools in low income neighborhoods
  - Worked with various "backyard makeover" companies with elements of landscaping
  - Built and maintained raised bed gardens in urban settings

**Early customer service experience:**
