Clay Pigeons

back 2 the wild

A

Blame it all on my roots

E dim

I showed up in boots

B

And ruined your black tie affair

E

The last one to know, the last one to show

A

I was the last one you thought you'd see there

A

And I saw the surprise

E dim

And the fear in his eyes

B

When I took his glass of champagne

E

I toasted you said honey we may be through

But you'll never hear me complain

CHORUS:

A

'Cause I got friends in low places

Where the whiskey drowns and the beer chases

B

My blues away

E

And I'll be okay

A

I'm not big on social graces

I think I'll step on out to the oasis
 B E
'Cause I've got friends in low places

VERSE:

Well I guess I was wrong
I just don't belong
But hey, I've been there before
Everything's all right, I'll just say goodnight
& I'll show myself to the door

Hey I didn't mean to cause a big scene
Just give me an hour and then
I'll be as high as that ivory tower
That you're livin' in

CHORUS

BUCKETS GOT A HOLE

FIRST CHORUS

INTRO: [D] ...[A7] ...[D] ... [D7]

Yea! My Bucket's Got A [G] Hole In It
Yea! My Bucket's Got A [D] Hole In It
Yea! My Bucket's Got A [A7] Hole In It
I can't buy no [D] beer.

Well I'm standin' on a [G] corner - With a bucket in my [D] hand
I'm waitin' for a [A7] woman - That ain't got no [D] man.

2ND CHORUS

'Cause My Bucket's Got A [G] Hole In It
Yea! My Bucket's Got A [D] Hole In It
Yea! My Bucket's Got A [A7] Hole In It
I can't buy no [D] beer.

Well, I went upon the [G] mountain - I looked down in the [D] sea
I seen the crabs and the [A7] fishes - Doin' the be-bop-[D] bee.

2ND CHORUS

Well, there ain't no [G] use - of me workin' so [D] hard
When I got a [A7] woman - in the boss man's [D] yard.

2ND CHORUS

Extra verse.

Well, me and my baby - we just bought a Ford
And now we sit together - on the running board.

1ST CHORUS

You and Tequila

Baby, here I am again
Kicking dust in the Canyon wind
Waiting for that sun to go down
Made it up Mulholland Drive
Hell bent on getting high
High above the lights of town

'Cause you and Tequila make me crazy
Run like poison in my blood
One more night could kill me, baby
One is one too many, one more is never enough

Thirty days and thirty nights
Been putting up a real good fight
And there were times I thought you'd win
It's so easy to forget
The bitter taste the morning left
Swore I wouldn't go back there again

'Cause you and Tequila make me crazy

Run like poison in my blood
One more night could kill me, baby
One is one too many, one more is never enough

When it comes to you
Oh, the damage I could do
It's always your favorite sins
That do you in

'Cause you and Tequila make me crazy
Run like poison in my blood
One more night could kill me, baby
One is one too many, one more is never enough

Never enough
You and Tequila
You and Tequila
